EC **European Coatings SHOW 2011**
PLUS ADHESIVES, SEALANTS, CONSTRUCTION CHEMICALS
29th to 31st March 2011 in Nuremberg; Hall 7, Stand 527

Visit us from 29th to 31st March in Nuremberg at the European Coatings Show and win an iPad.

2 Dear Mr. Mustermann,

Finding innovative solutions for individual requirements has always been our aim and inspiration. Starting from the personal discussion with our customers, we draw on our long years of experience to develop together epoxy resin systems which are optimized to the highest degree. And as an additional service we can now provide a platform with **Epoxy 2 go** which will make it even easier for you to find exactly the right epoxy resin system to suit your application.

Getting information fast, and getting information specifically for you as an individual, are key factors today in achieving real success. And with **Epoxy 2 go** you always have the solutions you need, right at your fingertips. Visit us in **Hall 7, Stand 527**, and find out more about this innovative platform. And you could also win 1 of 3 iPads. Please bring this personal invitation with you.

Every day at 16:00 we shall be holding a lottery* on our stand to pick the winners. The **CTP-Team** looks forward to having a talk with you, personally.

With best regards

Erhard Jacobi *Klaus Reinhold*
Dr. Erhard Jacobi Klaus Reinhold
